By holidays or other tokens

## MONTHLY ART SHOW IN AUGUST

### SUMMER ARTS FESTIVAL - AUGUST 17-18

Suppose we begin with a salute to new SDAG members (rough count from January: 13, and counting), whose paintings are appearing in our monthly shows and, if you please, are taking some very respectable awards. We welcome you with warmth and invite you to become involved in the operation of this heads-up Guild and Gallery.

Our shows have been exceptional, exhibiting a strong representation of skill, creativity and growth. Expectations for the August Show should be no less. So, let's have at it and proceed with SDAG's ...

**RULES AND REGS:** Oil paintings must be dry. The following conditions are unacceptable: class work, copied work, previous SDAG Art Show winners, unframed pieces, sawtooth hangers. Wire paintings with some slack so that they hang flat against the wall. The Art Committee has the right to refuse any entry that fails to meet these conditions.

Entries will be received at the Gallery between 10 a.m. and 3 p.m. (the unconditional deadline) on the following dates:

**TAKE-IN DATES:** Friday, July 26 and Saturday, July 27

**ENTRY FEES:** Paintings 36" or under: \$3.00 per painting  
Paintings 37" to 48": \$5.00 per painting

**NOTE:** Sitters are obliged to sit the Gallery one half day as a condition of entering the monthly show. Please don't forget our Visitor's Survey on the entry desk across from the front door. Sitters are required to make a reminder-call to next day sitters. Generally, morning sitters perform this task; however, afternoon sitters should make certain that this is a done deed. It's called 'keeping the Gallery open.' Like in potential sales. Get it? Also, and this is important, Sunday sitters must inform Tuesday sitters. Thanks.

JUDGE FOR THE AUGUST ART SHOW is Janet Leo. If you have seen and studied this artist's work and have received the feeling that are projected,

then you may agree with this assessment. Janet Leo's paintings, soft and lovely, are what you might call participatory, that is, there seems to be a compelling invitation to 'come in' - to discover secret gardens of incredibly lush color and beauty. She is referred to as an American Impressionist and indeed her work reflects her impressions of nature's beauty. Obviously, she finds joy in creating a mood, kindling an emotion, freeing imagination. She began her life in Pennsylvania and her art education in New Jersey from whence she devoted a quarter of a century in serious study under a progression of notable artists. For the past seven years the creation of her award-winning paintings has become her full time occupation. Her works appear in private collections across the United States and in Europe and Australia, and she has been featured in many galleries in California and Arizona, currently at The Randolph Close Gallery in Carlsbad and Gallery Oceana in Vista.

The SDAG Election will be held at the September Annual Membership Meeting. The Membership is advised that nominations may be made from the floor by the General Membership. Prior permission must be obtained from the nominees before presentation to the membership.

MEMBERSHIP DEPT: membership now stands at 113. Current new members are as follows: Ava Davis, Carlsbad; Kyoko Matsuda, Solana Beach; Phyllis McInnis, Leucadia; Sally Bly, Oceanside.

CARD SALES DEPT: Complaints have been registered about the rules for handling card sales. Despite considerable time spent by the Board in working out the present system, some find it confusing. We ask that you give it a chance. Joan Grine prepared a sign which should lead you through the action. Hopefully without problems. However, if this fails to work for you, kindly write a letter to the Board with an alternate suggestion, which will be considered. Regarding tax on card sales, sales tax is included (or should be) in the cost of all cards.

SALES DEPT: SDAG does not accept foreign checks. Suggest that the foreign buyer visit the Security Pacific Bank, corner Leucadia Boulevard and Vulcan.

SDAG AWARD/DEL MAR FAIR DEPT: The \$50 Award donated by the San Dieguito Art Guild for the Art In All Media Show at the Del Mar Fair was won by Helen Shafer Garcia.

ABUNDANT THANKS DEPT: But of course you've noticed the fresh new peg board walls in the Main Gallery and what a scrubbed-face improvement they make. The responsible parties for this grand renovation are Marge and Joe Stoker and let it be known that this was grunt work at its max. It involved the removal of old peg board, rebuilding of walls and replacing studs. New flush electrical boxes were added, the old hanging panel replaced, the new front door mail slot inserted, and all the debris was hauled away. How do you measure appreciation to fit such a generous contribution of time and effort? Tough question, isn't it?

SOMETHING NEW DEPT: In an effort to flesh out the anorexic SDAG Treasury the Board has decided to try an on-going White Elephant Sale at General Membership Meetings. A table will be set up for items you want to donate. Saleable stuff - not junk. You price it. The proceeds slide into the Treasury. If you're unable to volunteer services in other ways, here's a way you can help.

SEPTEMBER RAFFLE DEPT: Kathryn Cardinal, owner of KC Arts & Crafts, has donated a \$25 Gift Certificate for our Membership Meeting Raffle.

DEL MAR THOROUGHBRED CLUB DEPT: The attention of the horse racing world will be focused on this Club when America's leading track, Del Mar, hosts the Pacific Classic Festival and its \$1-million race on August 10, which will include, among other events, an art festival involving local galleries. Publicity Chairman Betty Sturdevan has arranged for SDAG's involvement in this, and both she and Jean Holloway have donated works for their Art Auction, guaranteeing good exposure for our name and location via press releases and on-the-spot identification. A plaque for our Gallery will tie it all together.

AUGUST ARTIST OF THE MONTH DEPT: Jean Holloway will present an exhibition of horse racing photography in August and will host a Reception during SDAG's Summer Art Festival, August 17-18.

## This image shows a single sheet of white paper with horizontal black ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has some minor blemishes and faint smudges, particularly near the top and bottom edges. The overall appearance is that of a clean but slightly used piece of stationery.
