JUDGE FOR THE SEPTEMBER ART SHOW is Jeanne Shanahan. Several years ago your editor was wandering around Quail Gardens when she happened upon a group of painting artists. She gravitated towards a particularly handsome lady and in peeking over her shoulder viewed the beginning of a watercolor of such lush loveliness that an immediate prayer was channeled to a higher power. It said, "Please, Sir, let me learn how to paint like that!" Jeanne Shanahan was born and educated in Los Angeles, California. She attended Chouinard Art School and Immaculate Heart College. After raising eight children the Shanahans moved to Fallbrook and while her youngest child was attending Junior High School, Jeanne resumed her art career. She began studying with Thelma Houston and Carl Provder and took advantage of the workshops offered by the San Diego Watercolor Society. Jeanne is a founder member of Brandon Gallery, Art Guild of the San Diego Museum, San Diego Watercolor Society, and is a Signature Member of Women Painters West.

DEMONSTRATOR FOR THE GENERAL MEMBERSHIP MEETING is SDAG's very own Joan Grine which appeared in the January '88 Paint Rag. In an era when malicious muggings and senseless violence were as rare as open green space in today's world, a petite fifth grader boarded a trolley on Saturday mornings, arms encircling the tools of her talent - board, papers, colored chalk - to travel, all by herself, to downtown Baltimore. Her destination was the Maryland Institute of Art where her parents, recognizing an early prowess in drawing, fortuitously sent her. This beginning never ended as is evident from the fine art produced by Joan Grine. Her demonstration for the September Meeting will be in pastel - an opportunity not to be missed.

Some folks think Modern Art is flat,  
It's way beyond them - and that is that.  
Some think that it's grotesque, inane;

### PRESIDENT'S MESSAGE

As I close the door on two years of stewardship as President of San Dieguito Art Guild, I find my thoughts traveling territories known as the past, present, and yes, the future of this extraordinary organization. Since its genesis in 1965, SDAG has grown and prospered under a proud parade of fine leaders, each adding his own creativity to its developmental fabric. The challenge for me when I assumed this responsibility was centered on the growth factor. Growth in membership and in prestige with a tangent of maintaining our established status in the community. Our growth pattern, particularly this year, has been especially impressive. Based on feedback from other art associations, artists and community leaders, our reputation as a heads-up art group is quite nicely intact, bordering on outstanding.

At the present, our chief problem is, of course, location, lacking as it does sufficient foot traffic. And the solution, hardly an easy one, is complicated by financial restrictions. But like most problems, there is an answer, which the future holds.

As we move into our postexistence, let us reassess our strong points - unquestionably our monthly judged art shows, our superb artist demonstrations, and our strengthening membership. As to the latter, we welcome with warmth our new members and encourage them to join the operational team of the San Dieguito Art Guild which will help it to grow faster and stronger. I would also like to urge members to more fully participate in our monthly meetings and yearly activities. We need your help and support.

I was taught that by giving, we receive. And nowhere is this more valid in the experience of my terms as your President, where treasured friendships have been my richest reward. My deepest gratitude goes out to so many members who have given me their support and cooperation when needed, which was often. I urge you to extend these same kindnesses to our new President, Joan Grine, and close by bidding you to accept the challenge of competition and be spurred on to try harder. Thank you, Hildegard Stubbs.

JUDGE FOR THE OCTOBER ART SHOW AND DEMONSTRATOR FOR THE GENERAL MEMBERSHIP MEETING is Andrea Gaye whose representational oil paintings which often feature children easily evoke the happy, care-free moods of summer. This fine artist began her foundational art studies in her native England, eventually moving on to a year of study in Paris. Since 1979 she has been an assistant to the distinguished Spanish painter Sebastian Capella which can't help but cause one to reflect on the value of osmotic principles. Andrea Gaye has had exhibitions in Paris, in Cincinnati and La Jolla, and with the San Diego Market Street Group. It goes without saying that she has earned copious awards throughout her career. She is associated with the San Diego Art Institute and the La Jolla Art Association. The fortunate winner of our October Raffle will receive an Andrea Gaye painting, which is certainly to hope for.
