ARTIST OF THE MONTH: CATHY BRESLAW

Cathy Breslaw's From the Heart exhibition will be showing at the Off Track Gallery during the month of March. As an abstract impressionist, Cathy's work is strongly intuitive and captures the the abstracted essences of thought, feelings, structures, and motion through the use of color, gesture, and line and surface textures. She begins her paintings with no preconceived notions of what the outcome will be, allowing her pieces to evolve very naturally and gradually in a step-by-step process of unfolding. This keeps her relationship to her work fresh, open, and authentic. Cathy is "often inspired by the mysteries of nature, humanity, and the interconnectedness of all things within our universe". She was educated at George Washington University, where she received a B.A. She also attended Howard University, Washington D.C., where she received a M.S.W. degree. Ms. Breslaw has taken selected coursework in fine art and design at the University of Texas, El Paso; New Mexico State University, Las Cruces; and the College of Marin, Kentfield, California; and studied privately for many years with select artists and in workshops with Marilyn Huey Phyllis, Katherine Chang Liu, and Alex Powers. Cathy's work has been exhibited in many solo and group shows in galleries throughout the country. She has won many competitive awards and her pieces are in numerous private and corporate collections throughout the country. Cathy is affiliated with the San Diego Watercolor Society, the Society of Experimental Artists, Bradenton, Florida; and the San Dieguito Art Guild. She is also a signature member of the National Watercolor Society, Los Angeles, California. Cathy invites all SDAG members and friends to join her at the reception for her From the Heart exhibit on Saturday, March 8, from 2-5 p.m. at the Off Track Gallery.

Betty Eaton Rhea's very essence is artist. Although gentle and quiet in demeanor, her paintings are strong when she depicts with forceful patterns the massive rocks and the ceaseless, powerful movement of the sea. This artist believes that the restlessness of the rugged Pacific Coastline is best interpreted with oils...her medium is determined by her subject matter. With watercolor, she feels the mood is softer and dreamier as colors melt and flow together like a lyrical poem. From the beauties of the earth and sky, jewel tones and images emerge, often evolving from abstraction into realism.

Betty studied concert piano, writing, and theater arts. Following a career in music (she still teaches piano and organ), Betty successfully pursued painting and studied with such notables as Robert Landry, Zoltan Szabo, Arthur Barbour, Earl Daniels, and Joe Garcia. Her work is in private collections throughout the United States, in Canada, and the British Isles.

Loretta Phoenix - Gallery Treasurer - 1995-'96-'97

Sales in November were \$1909.14. JAN'95-

A huge thank you to Treasurer, Loretta Phoenix, for all the work she is doing to keep our books current and payments up-to-date. We also thank Betty Sturdevan who has so graciously stepped in to help out.

Thank you Loretta Phoenix! The new bookkeeper was very impressed with all the work Loretta Phoenix did during the past two years as our Treasurer. Artist Sales for 1995-1996 were over \$40,000, Guild Expenses were \$26,446, and we still managed to put \$2,218 away in our CD, which brings our savings to \$7,497. Needless to say this is a lot of work for someone who doesn't get a pay check! Our Proposed Budget for this year is \$24,212 with a Projected Income of approximately \$23,479-\$24,209. Thanks again Loretta for all your hard work!
