PRESIDENT'S CORNER:

The SDAG Board wishes all of our members a very Merry Christmas and a Happy New Year! We hope you all have a great holiday! And thanks to everyone who has worked so hard this past year to make our guild a great organization.

Environmental Painters: You are missing a great chance to paint nature and enjoy the company of other artists if you don't join us for our Tuesday morning excursions around San Diego. So far, we have painted the Point Loma Light House, Wind and Sea (in La Jolla), Quail Gardens, Lake Hodges (from Del Dios), and Moonlight Beach, to name just a few of our Tuesday painting spots. We have been getting better with each excursion and would love to have more company. Call Shirley Hawley at 436-0512 if this note tempts you even a little!

Thank you to Basia Koenig for a great job on the new SDAG Directory, it looks beautiful!

Thank you to Michael Gaszynski for donating the painting we raffled off at the December Cash Awards Reception. Michael was on hand to select the winning ticket and Jim Faupel was the lucky winner.

IMPORTANT NOTICE: For those of you who are considering using Iris or Giclee prints, I strongly recommend you read the October issue of the Art Calendar (available from Barnes and Noble). The dyes they have been using to ink jet the images have evidently been fading rapidly and could very easily cause problems resulting in unhappy customers whose art purchases suddenly disappear, quite literally, before their eyes.

Wall/Floor Renters: If you are not sure how to operate the credit card machine, or are not familiar with Gallery Procedures, please ask for assistance. We recently had two incidents involving equipment malfunction that could have resulted in the loss of a customer. We now have a new credit card machine in the gallery, but it is only as good as its operator.

Thank you to all the members who helped put on the December Cash Awards Show, including Claudia and Reese Brown and Loretta Phoenix for the beautiful decorations, Courtney Strand, Harriet Shoup and Ken Slaughter for take down and take-in, Jeff Brosbe and Pearl Cadwell for picture hanging (and general support for everyone), Wally Chase for signs, Char Cee Colosia for arranging for the judge, Joan Grine for ribbons and notification, and Basia Koenig for certificates. You all did a terrific job!

I only received one call for the Ojai trip. I assume that this means there is no interest? What about taking a van up there for an extra long day? Give me a call at 481-7904 if you are interested in this trip!

ARTIST OF THE MONTH: EVELYN CRAMER

Evelyn Cramer began painting as a hobby shortly after moving to the DeLuz area in 1982. Her art soon became a very rewarding and creative form of self expression for her. She took advantage of the many fine teachers in the North County area and was soon winning awards in juried shows. Evelyn works with watercolor, acrylic, pastels, and a combination of media. Her landscapes depict the beautiful areas around her home in DeLuz (10 miles north of Fallbrook), a land of rolling hills, avocado orchards, and myriad flowers. A lover of animals, Evelyn has created a body of works in pastel of cats. Most of her models came from family, friend's, and neighborhood pets. "Pastel is an excellent media for drawing portraits of animals. I feel that good art requires dedication, perseverance, and most of all listening and seeing. I never stop." Evelyn invites all SDAG members and friends to join her at the reception for her CATS exhibit on Sunday, January 12, from 2 to 4 p.m. at the Off Track Gallery.

STUDIO AND GARDEN TOUR: The following artists have agreed to participate in this event.

FLOWER FIELDS UPDATE: Start working on your Flower Fields paintings! It looks as if we will be having the Flower Fields Paint-In and Art Exhibition at pretty much the same time as last year. We will be using the same space as last year and we may actually get more space, if we are lucky. We are not sure yet what percent of sales the Carlsbad Ranch is going to ask for, but our best guess is that it will be close to what it was last year (10%). Hildegard Stubbs is organizing this event again this year and she will be keeping us posted as to exact dates, times, percentages, and etc. in upcoming Paint Rag issues.

Attention SDAG Members: We are looking for a member who would be willing to be a JOB COORDINATOR for the guild. We have lots of people who sign up for various jobs at SDAG events, but very often people forget to mark the dates on their calendars and consequently don't remember to show up. Up until now, we have had no one available to keep track of these sign ups and no one to call and remind members when and where they are scheduled to work. We really need someone to do this for the guild. It would help to keep things organized and running smoothly! If you are interested in doing this job, please let Cyndy Brenneman know (481-7904).

GALLERY SITTERS: Sitters who sell a painting or other piece of art in excess of \$50.00 should fill out a Thank You card (Name and Address) for the purchase and put the card in the artist's pocket in the Sales Binder. Artists can add notes and postage at a later date and send these personalized Thank You notes to their patrons. It is easier to fill this information in at the time of the sale than to wait and try to find an address in the receipt book (pink copies) at a later date, and the patrons really do appreciate them. Thanks!

Flower fields update: Start working on your Flower Fields paintings! It looks as if we will be having the Flower Fields Paint-In and Art Exhibition at pretty much the same time as last year. We will be using the same space as last year and we may actually get more space, if we are lucky. We are not sure yet what percent of sales the Carlsbad Ranch is going to ask for, but our best guess is that it will be close to what it was last year (10%). Hildegard Stubbs is organizing this event again this year and she will be keeping us posted as to exact dates, times, percentages, and etc. in upcoming Paint Rag issues.

Attention SDAG members: We are looking for a member who would be willing to be a JOB COORDINATOR for the guild. We have lots of people show sign up for various jobs at SDAG events, but very often people forget to mark the dates on their calendars and consequently don't remember to show up. Up until now, we have had no one available to keep track of these sign ups and no one to call and remind members when and where they are scheduled to work. We really need someone to do this for the guild. It would help to keep things organized and running smoothly! If you are interested in doing this job, please let Cyndy Brenneman know.

GALLERY SITTERS: Sitters who sell a painting or other piece of art in excess of \$50.00 should fill out a Thank You card (Name and Address) for the purchase and put the card in the artist's pocket in the Sales Binder. Artists can add notes and postage at a later date and send these personalized Thank You notes to their patrons. It is easier to fill this information in at the time of the sale than to wait and try to find an address in the receipt book (pink copies) at a later date, and the patrons really do appreciate them. Thanks!

Sales Tax: Starting in January, the Guild will begin collecting the tax for sales made in the gallery. We will be paying these same taxes quarterly to the Board of Equalization. No taxes will be collected for out-of-state sales. Tax on personal sales outside the gallery will, as usual, be paid by the individual artist.

WALL RENTERS TAKE-IN/WALL HANGING ASSISTANCE PLAN

All Wall/Floor Renters will take turns assisting in take-in and hanging of the gallery at the rotations. The following is the Assistant Rotation List for 1997. Just as when you sit the Gallery, you are required to provide a replacement for yourself if you are unable to attend. In the event that you have made arrangements for a replacement, you must notify the Wall/Floor Renters Chairman (Jackie Bissel) of this fact, including the name of your replacement. The same people have been doing this job for the past two years, or more, and they are getting tired. Since we all benefit from the work done during take-in and wall hanging each month, this plan is our way of spreading the work load more equitably and getting everyone involved. (Sitting the Gallery on these dates does not count as assisting.)

Rebecca West, from *The Creators*, by Daniel J. Boorstin

William Bloomhuff will be this month's judge and demonstrator. Mr. Bloomhuff is a fine arts photographer who pushes the art of photography to its creative cutting edge by manipulating photographic negatives of his work. Starting with his own photographs, William uses various methods, including toning, bleaching, and hand painting to create altered photographs that project imaginative and surreal visions. By manipulating the film, subject matter, and palette, he creates an altered reality where accepted concepts of color do not exist, a freedom traditionally enjoyed by painters. A seasoned world traveler, William has traveled to many exotic and fascinating lands, photographing the varied cultures he has experienced along the way. He has a deep and abiding interest in the rich tribal cultures of Asia, the Middle East, and Africa, as well as archeological sites from antiquity. His photographs are produced according to current archival standards and are signed, limited editions of five to fifteen. No two pieces are painted the same, making each an original. Mr. Bloomhuff will be giving his demonstration on January 2, 1997, at the general meeting, 1:30 p.m., Ecke Hall, Quail Gardens. Rhino Art has kindly donated a \$25.00 gift certificate to be raffled off at this demo!

PRESIDENT'S CORNER:

Last month the Off Track Gallery's sales exceeded \$4,000.00! That is very good for the month of December. In fact, it is the best ever! Our Holiday Sale and other holiday activities seem to be increasing foot traffic and sales activity in the gallery in what is usually a slow month for us.

The theme for our annual Valentines Exhibit (February) is The Things We Love. The Guild's Valentines Day Reception/Party will be held on Sunday, Feb. 9 from 1 to 4 p.m. at the Off Track Gallery. It will be held jointly with Joan Grine's Landscapes of the West Reception. We will also be having a Valentines Miniature Painting Exhibit in February, which is open to all members. All entries for the Miniature Painting Exhibit must be no larger than 5 inches in length or width, including frame. Bring your miniature painting entry in with your regular show entry at the February Show Take-In on Friday, January 31. The miniatures should make wonderful Valentines Day gifts for our patrons, especially if you can find heart shaped frames to put your work in. Members are encouraged to bring in Valentine's Day cards for the card racks. We will find a place to put all the Valentine's cards; you won't need to sign up for this.

Valentines Show Party/Joan Grine's Reception: We need food contributions for our Valentines Show Party! Cookies, cakes, pies, vegetable and cheese plates, etc. are needed. Please contact Harriet Shoup (756-3635) if you can help with this.

Studio and Garden Tour: Quail Gardens will be having their portion of the Studio and Garden Tour on Saturday, May 10. All SDAG artists (not just Studio and Garden Tour artists) are being asked to paint and show their art at Quail Gardens on that date. Sunday, May 11, will be the official date for the SDAG Studio and Garden Tour. Tickets will be \$10.00 each.

Poster Contest (Studio and Garden Tour): Artists that are participating in the Studio and Garden Tour should be painting their entries for the poster contest. The deadline for turning in your entries is February 14, 1997, Valentines Day!

We still need photos of art, artists, gardens, and/or studios to use for publicity for the Studio and Garden Tour! Call Shirley Hawley at 436-0512 if you have photos that we can use for this purpose. Thanks!
