GENERAL INFORMATION

History

The San Dieguito Art Guild was founded over thirty years ago as a non-profit organization dedicated to furthering artistic understanding in the local community. The guild is also dedicated to fostering the artistic growth of individual members through social and educational events. Five years ago, we moved to the Off Track Gallery where we enjoy an excellent relationship with the Pannikin Restaurant. Together we share the Old Santa Fe Train Station, an important local landmark of historical importance.

Location, Hours, and Exhibits

The old Santa Fe Train Station is located at 510 North Highway 101, between Encinitas Blvd. And Leucadia Blvd. The Gallery is open daily from 9 a.m. to 6 p.m. and is closed only on Thanksgiving Day, Christmas Day, and New Years's Day, and Easter. The Off Track Gallery has an ever changing exhibit of art by over 150 local artists. This format is achieved in several different ways. The guild has monthly Membership Shows, which are judged by San Diego area professional artists. Each month a different guild member is featured as Artist of the Month and 35 to 45 members show work upstairs and downstairs on an ongoing basis. This adds up to a display of over 250 works of art in our Gallery at any given time. Because our painters, potters, jewelers, and glass artists are local, customers find our artist-set prices to be

The Procedure Book

The procedure book is kept in the gallery and is a notebook of procedures and forms that are used by the guild to conduct gallery business. All gallery sitters must familiarize themselves with its contents.

Parking

We sublet our space in the old Santa Fe Train Station building from the Pannikin Restaurant. Our ability to rent this gallery space depends, at least partially, on the ability of the Pannikin to run a successful business. This requires that a large amount of parking spaces be available for the both the Pannikin's (and the Off Track Gallery's) daily customers. As such, we have been asked to not use the parking spaces immediately in front and in back of the Pannikin building.
